### **TRAINED AND EQUIPPED**

Another group of believers has been  
trained and equipped to follow the call  
of God and for ministry. The Word of  
God has been planted in their hearts  
and they are excited to go and share  
the Gospel with others. Some are  
already pastors, others serve in their  
home church. Over 70% of all our  
graduates are serving God either full  
time of part time.

Rev. Charlie Milbrodt ([lwmi.org](http://lwmi.org)), a  
veteran missionary in Thailand of 26  
years, was the commencement  
speaker this year and delivered a great  
message for the outgoing class to  
remember.

You may remember that when we first came to Thailand in 1991, we had an  
internship under Charlie & Cathy. They taught us much, and gave us good  
advise that has helped us stay the course, and which we still remember  
and follow today. We appreciate them very much!

## ARISE AND SHINE

Rhema Bible Church Bangkok now has 2 Sunday morning services. With more people attending and more expected, Pastor Keith gets to preach twice every Sunday - and he loves it! The change was enthusiastically welcomed by the whole church and the transition was smooth as silk!

The church celebrates Children's Day each year with special activities and treats for the kids. The grand finale is bringing them in at the end of the service to pray for them and give them a goodie bag. Our kids are so cute!

Pastor Jim Herring from Abundant Life Church in Ft.Worth, Texas, got in on the fun this year since he was here ministering in the church and the Bible school.

Other recent guests include Pastor Amos Wong of Singapore's In Him Church. Rev. Kirk Dubois, Brad Spangler, and Pastor Paul Roach from Oklahoma stopped in Bangkok on their way to Myanmar to teach at our school there.

## VALENTINES' DAY LOVE

The youth group of RBCB, *History Makerz*, now led by Khun Tai, used Valentines' Day as an opportunity to share God's love at a Christian-based children's home in Bangkok. Most of the children are not orphans, but live at the home because their families are too poor to care for them.

HMz youth shared the the Gospel in a multi-format presentation, had gifts for each child, and spent time giving the children individual attention which they may otherwise rarely experience.

## \$ EVANGELISM \$

Jesus said it best when He said, "For where your treasure is, there your heart will be also." Talking about money gets people's attention, and is an appealing calling card for sharing the Gospel.

Recently Keith taught a special seminar on *Financial Victory*, sound financial principals infused with Biblical truths, and real-life testimonies. The class met for 4 weeks on Sunday afternoons at the YWCA where we have our church services. Two weeks ahead of time, thousands of flyers were passed out to people who work in the surrounding business district. Sixty to seventy people attended, and on the final day, many asked when will be the next session so they can invite either friends and family to come learn the same new insights which are mostly unknown in this area of the world.

.....

Thank you for supporting us and praying for our ministry in Southeast Asia! We ask that you continue to do so in 2013 as well. These are crucial times! The Bible tells us that for each person, his days are numbered. Some of us will be here for years to come. Others, will not. We must reach people now, and we need your help to do that.
