174 FOR HIM

That is the number of believers who joined together October 21-23 at "For Him" church camp, where they got ahold of the life changing principles of committing to live "For Him", reinforcing how living for Jesus gives our lives powerful purpose, produces a blessed life, and makes a strong and divine impact on ourselves and those around us!

Believers filled the altars and poured their hearts out to God in response to the messages and committed themselves to the Lord, to live for and serve Jesus.

During this weekend some believers also followed the Lord in water baptism, confirming their commitment of making Jesus Christ their Lord and Savior. The baptismal service was held outside in the pool and started sunny, but quickly turned to a downpour. Those holding guitars, cameras, mobile phones and without umbrellas headed for cover. Since there was no lightening, we were able to finish baptizing all 19 people. The rain shower certainly added excitement and also turned out to be a spectacular sight.

FIRST GRADUATING CLASS OF RHEMA MAE SOT

It's been several years in the making. We responded to a Macedonian call, a plea to start a Myanmar language Bible school in an area that can be accessed by Myanmar refugees living in Thailand, and by believers on both sides of the Thai-Myanmar border.

Meeting with local pastors first, followed by seminars, the the launch of the Mae Sot campus - Praise the Lord - now the first class of 27 students have graduated and are moving on to their next steps in the plan of God for their lives. The remaining 41 students continue to study and press on toward the goal.

Pastor Rod Sundholm, accompanied by his wife, Pastor Rebecca Sundholm, was the commencement speaker and sent off the graduates reminding them that the devil is a defeated foe and that they are champions. The students in red robes are now sent out, prepared for ministry, and equipped to be overcomers! Please pray for all of these graduates as they move forward with God's plan, most of them working in impoverished areas to bring the Gospel of hope and salvation.

THEN BACK IN BANGKOK...

The following two weeks after graduation, Pastors Rod & Rebecca ministered with us at RBTC-Bangkok. First was a faith seminar open to the public, then the following week, they taught the first course of the new school term, *How To Be Led By the Holy Spirit*.

In the second week, Keith caught the new students off-guard with how well he taught in Thai the *Redemptive Realities 1* class. So with 16 new students for a total of 33, it was a great kick-off of the new school term.

THANK YOU GUEST INSTRUCTORS!

With 5 Bible schools going, we rely on qualified guest instructors to help us teach, especially at our regional campuses. This year 11 guest instructors have ministered with us. Some are pastors who travel in addition to their church ministry, others are traveling ministers. All of them make great sacrifices to teach our students, training more ministers to go take the Gospel to all people. A big "thank you" to all who have invested themselves in the students here.

THANK YOU - YES, YOU!

Likewise, *THANK YOU* for your investment of time praying and financial support helping us get the salvation message out to the people, building them in faith, training leaders and ministers, and planting churches. Together and with God, we can reach more people.
